Choose an opt: 1
Input length: 5

==== Add new shape ====
Select a shape:
1.  Line
2.  Rectangle
3.  Triangle
Choose an opt: 2
Input width: 5
Input height: 3
```

**Console:**

```
==== Menu ===
1.  View all lines
2.  View all rectangles
3.  View all triangles
4.  Add a new shape
5.  Quit
Choose an opt: 1

==== List all lines ====
1. length: 5
_____
2. length: 30
____________________________
3. length: 10
__________

Choose an opt: 2
1. Width: 5, Height: 3
*****
*   *
*****

2. Width: 3, Height: 3
